PROFESSIONAL EXPERIENCE

Content Moderator — Conectys — Concentrix, Davao

- Review user-uploaded videos against the platform's Community Guidelines, making confident allow, restrict, age-gate, or remove decisions that keep the platform safe while respecting freedom of expression.
- Assess profile photos, thumbnails, and image posts for nudity, graphic violence, hateful imagery, and prohibited symbols, applying policy with consistency across high-volume review queues.
- Evaluate content in its full context rather than in isolation, resolving abusive, threatening, and sexually explicit commentary with sound, defensible judgment.

- De-escalated vendor concerns and retained accounts at risk of termination through patient, solution-first conversations, turning complaints into renewed trust.
- Managed the full account lifecycle: troubleshooting and replacing vendor devices, activating and terminating accounts, and keeping store profiles accurate and up to date.
